A LOOK INTO THE PARK PRESCRIPTION MOVEMENT

Source: ParkRx Census 2018, Institute at the Golden Gate, n=71.

ParkRx Prescribers
The majority of programs work with multiple healthcare and social service professionals that recommend individuals to spend time in nature.

Coordinating Agency
Public land agencies and nonprofits most often lead ParkRx programs.

ParkRx Funding Sources
Over 37% of programs rely on 2 or more funding sources.

For more information, visit instituteatgoldengate.org
There are currently 71 ParkRx programs in 32 states and the number is growing!

The different programs featured here share one important element of innovation: they leverage the health or social service sectors to encourage individuals to spend time in nature for their health and well-being.

To make sure your program is included, please contact instituteatgoldengate.org/contact.

11 new programs are planned to launch in 2019 and beyond.
